TERROR gameplaymania 08 August , 2018 0 Eggs for Bart is a horror game that parodies the famous animated series The Simpsons. In this case you will homer with a strange mission: get eggs for your child, Bart Simpson. It seems simple, but I assure you that this is not what I will. You will find eggs both inside and outside the house... Are you ready? You need to get two dozen eggs and give them to Bart outside the house. With your line you have to look one to one, but you can only carry half a dozen at once, so you have to make 4 trips. The night is dark and the house is even bigger. Will not be the only one looking for eggs, will have to be careful with Marge ... If you find it, you will remove all the eggs and give you a big scare! This game is addictive, by the uncertainty of finding danger at any moment and that will make you get out of your chair. Eggs For Bart was developed by an independent programmer, an amateur known as Fleebz (see your Twitter). Famous YouTube Irish user but residing in the United Kingdom, Jacksepticeye (about 20 million subscribers on his channel and one of the most influential in the themed gamer), made full gameplay with his video WHAT Have I Always Played? Click here to download Eggs for Bart for free: Although intended as a parody, The Eggs for Bart fits directly into the stealth horror video game genre. Developed by Fleebz, the developer of the indie game, Eggs for Bart features your favorite Simpson family cartoon. There are now two parts of the story, chapter one and the second chapter. First, the player starts the game by playing as Bart Homer's father. Homer's mission is to find and collect a total of two dozen eggs for Bart. Although it sounds simple, it is far from the case. With limited bandwidth, Homer can only pack six eggs with it at one time. Since the mission requires more than one trip, you can expect things to become more difficult each time. Equipped only with a flashlight, Homer must sneak out of the house at night to pick up eggs for Bart. With what he said, you're not alone. Hatner is getting hunted in eggs for Bart As mentioned, you're not alone. While you hunt in the dark, collecting twenty-four eggs, something or someone is chasing you. In fact, what tracks you is none other than evil Marge. She's going to stop to find those eggs. For this reason, you must be quick and quiet so as not to warn Marge to your If you're lucky, you'll find eggs for Bart and a full Chapter One. Eggs for Bart - - Two - Missing Family By the time you finish the first chapter, you will realize that there is still in the game, then the first thought. So far you've played like a homer collecting eggs for Bart, but now Homer is missing. In fact, the whole family is missing. At this point in the game, you take on the role of Ned Flanders. As the family went missing, Ned's care became more and more dier. In the second chapter your mission is to try to find a family by going unnoticed. After all, the night is dark and you are not safe there alone with a flashlight. In truth, it's unlikely to end the way you hope. But good luck! All the best and everything you do, stay safe. Eggs for Bart Controls of course, it is important to know the controls available to you in Eggs for Bart. There are only a few to remember, so it should be easy. Players use a mouse or trackpad to look around. Use wasD keys to move forward, backwards. You can also turn the flashlight on and off using the left click. The most important is the furtive and squat function. To sneak, press the left shift and sit down, press the left control key. In addition, the E key is used to find your immediate surroundings. GameJolt Mirror: eggs for Bart Simpsons Parody Horror Game, in Chapter 1 you play as Homer and you have to get eggs for Bart. You have to get 2 dozen eggs and get out of the house to give Bart, but you can only carry half a dozen at a time, so you have to make 4 trips inside the house and as well as the night will get progressively harder as the night goes on. With cutscenes after each level that are connected in the story of loss and mystery remains unsolved. It won't be easy, as you're not the only one who needs eggs like Marge. Only eggs can support her and she will go after you and try to take you and your eggs. However, she is not the only one who needs e g . . . After the events of Chapter 1, the Simpsons went missing. However, a concerned neighbor takes matters into his own hands and searches for them. It seems that it's gone for a while though. Should we file a report of another missing person.? Final chapter: Arm-egg-eddon. Each murder or crime scene is investigated. And that's what Police Chief Wiggum set out to do. Investigate the possible murders of Ned Flanders and the Simpson family. However, something does not seem right ... You're being watched. Be careful. Eggs for Bart can be played for free and always will be - as it is a parody. Which falls under fair use.
